

ENVIRON COOL PEEL® POST-TREATMENT GUIDE

24 HOURS POST TREATMENT

- Avoid make-up application
- Avoid exercise with excessive perspiration

UP TO 7 DAYS POST TREATMENT

- Avoid ingredients such as AHAs & BHAs
- Your skin will be photo-sensitive:
 - » Avoid direct sun exposure
 - » Wear protective clothing
 - » Apply a broad-spectrum sunscreen every 2 hours
- You may experience tightness or dryness:
 - » Double cleanse
 - » Moisturise with Environ vitamin A and antioxidants
 - » Support the skin's moisture barrier

UP TO 14 DAYS POST TREATMENT

- If you experience mild flaking, avoid harsh exfoliation
- If you experience breakouts, avoid picking, rubbing or squeezing
- Allow 2 weeks before booking injectable treatments
